

# Auckland Open Streets 2015

**Sunday, 12 April**

**10am - 4pm**

**Quay Street, from Princes Wharf to Tinley Street**

**Free**

Open Streets is an international initiative to claim the street for walking, cycling, playing and socialising.

At Open Streets 2015, the road will be temporarily closed to vehicle traffic. You can stroll or ride in a car-free space and enjoy a variety of activities, with street entertainers, family fun, sports activities, guided tours, street games, a heritage trial, chill out areas, and much more - just one way we're helping Auckland become the world's most liveable city.

Get your family and friends together, say goodbye to your car and come explore the waterfront.

## Getting there
